

**34th International Conference
of
Safety in Mines Research Institutes
7-10 December, 2011, New Delhi, India**

Abstract Submission Guidelines

The aim of the conference is to provide a platform to an international forum for the dissemination and exchange of scientific information on theoretical and applied areas of mines safety and health. Abstract of the theoretical papers should clearly state the concept, structure and modeling aspects of the research. Abstract for the applied papers should describe the scientific basis of the methodologies adopted, the results and the applicability of the study in addressing safety and health related issues. The purpose of study, principal results, and major conclusions must be highlighted in the abstract. The abstract must be limited to 500 words.

Address for correspondence

A soft copy of the abstract should be submitted to the Convenor of the conference through Email.

Professor Ashis Bhattacharjee
Convenor, 34th ICSMRI
Department of Mining Engineering
Indian Institute of Technology
Kharagpur-721302, India
